

Col. Metzner,

I'm from Mr. Agan's third black history class and I just wanted to thank you for taking the time to visit our class, and even more importantly, for serving our country. I believe that you fought for a good cause and I hope that there are more people in our country who are as devoted as you.

I am especially grateful for having the chance to hear about the war first hand, instead of the traditional stories that we read in our textbooks. It made the war seem much more realistic and allowed me to have a better understanding of the war.

Thank you again and the best of wishes to you and your family.

Sincerely,

Nicole Johnson
