

Dear Mr. Col. Metzger

June 13, 2001

First of all I want to thank you for taking the time to come to our classroom and share with us your experience in the Vietnam War. To give us the honor to hear from you the history of the Vietnam War.

It's a great courage you had, to have gone and fought for our country. For taking the risk, to be faced with death and for now be able to tell us.

It was interesting to hear what happen from a person that was actually involved in the war. So many things you did. For example the programs you talked about.

It's quite different to read it from a history book and learn about the Vietnam war. After you came in and was telling us about several people that you lost, I got a different perspective of the war.

Tell why  
we were  
priority

Thank you once again for being a veteran, there are no words to say. Thank you for risking your life for so many people.

Once Again Thank you

Cristal Montgomery
