

Thank

You

Mr. Metzner

1-18-00

Dear Mr. Metzner,

My name is Carisa Jimenez and I am a student in Mr. Agan's Class. I greatly appreciate you coming to speak to our class about your experiences. I believe that most of my peers really don't understand the aspects of war when we take notes until they hear a veteran's story.

Thank you very much for a dose of reality.

Sincerely,

Carisa Jimenez
