

Dear Mr. Metzger,

1-19-2000

Hi! Well on Friday when you came in to talk to my class I was unable to be here. I heard that it was a good speech. I really wish that I could have been here.

I have learned so much about Vietnam. Before we started learning about Vietnam, I had no idea what the war was even about. Now that I have learned so much about Vietnam I really wish that I could have been here to hear your speech.

Thank you for coming in to take time to talk to the class about Vietnam.

Thank you

Sincerely,
Sabrina
