

Dear Mr. Metzger,

I would like to thank you for taking time to come to my class and talk about the Vietnam War. I really enjoyed the interesting stories and the facts that you discussed with my class. I think that you, as a person, have a strong will, and know the right things to do. It is amazing that you are a survivor of three wars. Your courage definitely shows through. I find it very good that you were able to write books about your experiences. I would like to thank you again for your time.

Sincerely,
Anna Jensen
