Dear Mr. Metzner,

I think you are a wonderful speaker, and I would like to thank you for sacrificing your time to come talk to our class. There are many war veterans who are not willing to share their experiences with others.

I understand that it is hard to talk about that sort of thing and I really appreciate that you are willing to talk to us teenagers.

I learned a lot about the Vietnam War, and a lot of that knowledge came from you. Thanks again for your willingness to share your experiences with us, and for the books.

Sincerely,

*Alisha McKay*
