

6-15-00

Dear Mr. Metzner,

I appreciate you coming to our class and talking to us about what you did, ~~the~~ all of those tours you did going back to fight, I thought it was pretty brave of you. It was interesting what you had to say. That jacket you had with metals of honors, it was pretty nice. Once again it was nice of you to take time from what you do and stoping over and talk to us. Thanks alot.

Jesus Moreno
