

Dear Mr. Metzger

Thank you for taking time out
of your schedule, to come talk to
our class. I was very upset I was
not able to make it. Due to a
prior engagement that couldn't be
cancelled. I did however get a chance
to read portions of your book. The
accounts and experiences you wrote about
is something that can't be taught out
of any history book. Once, again Thank
you

Thank you.
