Dear Mr. Metzner,

I would just like to thank you for taking time to come to our class and share your experiences of Vietnam. It was really interesting to hear all of the different stories that you have. Both my uncle and my grandfather also fought in that war, so I had heard similar stories before. On Tuesday night, after you had talked to us, I went to my uncle's house and talked to him about it. Now that I have learned about it in school and heard about your experiences, I can have a more intellectual conversation with my uncle.

Your uniform jacket made your presentation seem more real and I think affected me more. I know it can be hard to talk about the war and all that happened. I am thankful for all you did. Thanks again for coming in.

Sincerely,

Andrea Legard.
