Dear Colonel Metzner,

I note with pleasure your selection for attendance at the Air War College and I wish to add my sincere congratulations for meeting the restrictive criteria for selection to this senior service college.

In making this selection, the US Army has recognized your exemplary past record and a demonstrated potential for future assignment at the highest command and staff level. I wish you continued success and am confident you will make an outstanding contribution in the future as you have done here in the Delta.

Sincerely,

JOHN P. VANN
Deputy for CORDS
