Why not become a member of NCVVI?

"TRYING TO FORGET" - Forget that, Vietnam will always be with you. NCVVI and its involvement can help you put it in order and live with the things that you can't forget. It is part of your history. You can do a lot of good and have a great time doing it with people who understand.

"NOT A JOINER" - So what? Just hang around people that have something in common with you in some ways more than your family. Have a lot of fun, do as much or little as you would like.

"DON'T HAVE TIME" - Time is a capitol asset, you can't borrow time: you cannot hoard time: you cannot work extra hard to earn more of it: ALL YOU CAN DO IS SPEND IT. How you spend it is the difference between success and failure. We all have the same amount. It's what we choose do with it, we have the time to do anything we really want.

"SO WHY BECOME A MEMBER" - ONLY YOU CAN ANSWER THAT QUESTION. Make friendships with people of like experiences, free monthly dinner, the community work, the LOV classes, the linkage program, the scholarships, fund raisers, trips, rat stories, the crap burning stories the inter military rivalry joking around, supporting veterans issues, or for your own personal reasoning. NCVVI offers you what you want to make of it. It is all up to you.
