WWII - KOREA - COLD WAR
VIET NAM - GULF WAR

WHO WE ARE

Rolling Thunder®, Inc. was founded in 1987 by two Vietnam veterans who were interested in focusing attention on military service personnel who remained unaccounted for after Vietnam.

As Rolling Thunder's National President, Artie Muller, has stated "We found out the U.S. government lied to everybody and we were very aggravated. We got involved in Washington passing bills to protect armed forces left behind after conflicts. We help servicemen get their V.A. benefits and steer them in the right direction to get the help they need." -Reprinted with permission-

Through subsequent years of carrying the banner of accountability that its government dropped, Rolling Thunder has become one of the largest grassroots veterans' groups in history.

Initially designed as one march and motorcycle run to publicize the cause, Rolling Thunder®, Inc. today has evolved into a multi-state effort to educate the public and provide service to veterans in need from all American wars.
