USAID Manual Order 443.1, attachment D, states the policy concerning the acceptance of gifts and decorations from a foreign government, AID/W and the Chief of Protocol (State Department) must approve the awarding of the decoration before the employee may accept it.

Appropriate action will be taken in connection with this decoration/award and you will be advised of the action approved by AID/W. This is a rather lengthy process. If you have not been officially advised prior to your permanent departure from post, please furnish this section with a forwarding address.
