Dear Hal,

If we do not see each other again before I leave the country, this note will attempt to express our appreciation for the hard work you have put in down in Kien Hoa. I do hope your program in the future will be less frustrating for you than it has been in the past and trust that the new personnel assignments there will make life much easier. In any case, we have greatly benefited from your efforts and I hope our paths will cross again in the future.

With all best wishes for your continued success and good luck in the future.

Sincerely,

OGDEN WILLIAMS  
Chief, Chieu Hoi Division
