Agency for International Development  
New State Building  
Washington 25, D. C.

Dear Bill,

Did you receive my letter of 26 April 1968 concerning Don Perkins? It would be very helpful if you could give me an answer on this as I am actively trying to steer this individual into a career most beneficial to him and to the Agency. I would much appreciate hearing from you as soon as you can find time.

Occasionally they shoot rockets at Saigon at night which is impressive if they land nearby, but generally speaking, things go on here about as usual. I would really like to get any news of you and our colleagues from Tunis, back in the "real" world.

All the best.

Sincerely,

OGDEN WILLIAMS  
Chief, Chieu Hoi Division
