Dear Oggie:

On December 1 the Administrator approved centralization of personnel for Latin America and the Vietnam Bureau. This means that our people in personnel, including those concerned with training, were administratively transferred to A/PM on that date.

I feel it is entirely appropriate that at this time I express to you and to your staff how much we appreciate the splendid manner in which you accomplished the training of personnel destined for Vietnam. I also want you to know I am pleased that our common effort ensures this Bureau's continued close association with the Vietnam Training Center.

Please convey this message to the other members of your staff along with my best wishes for a Merry Christmas and a Happy New Year.

Sincerely yours,

*John Arthur* for  
Joseph A. Mendenhall  
Acting Assistant Administrator for Vietnam
