

FOREIGN SERVICE INSTITUTE

Mr. Jack P. Napier, Chief
CORDS Personnel Division
Headquarters, MACCORDS
APO San Francisco 96243

Dear Jack:

We have instituted a new form to be used for all students proceeding from VTC to the field which will, in most cases, obviate the necessity for a specific letter on each man. I accordingly forward herewith Student Placement Reports for 11 officers in the District Senior Advisor category and a report on the only graduate of the Basic Course. They are a good strong group and should make a real contribution to our efforts in Viet-Nam.

I should like to mention the specific case of Major Charles Young, whose form is enclosed. Major Young is a military reserve officer who will be leaving the military service at the end of his forthcoming tour in Viet-Nam. He is very anxious to stay on for another tour in Viet-Nam with AID, if such can be arranged. He has been told here to make his application through your office six months before the end of his forthcoming tour, which will give you in the field a chance to assess his performance and suitability for AID employment. I am confident he will do a fine job in Viet-Nam and hope it all works out for the mutual benefit of Major Young and AID.

A very Happy New Year to you and your staff.

Best regards,

Sincerely,

/s/
