Employment of Byron Bahl at VTC

As you know, Mr. Byron Bahl has just returned from Viet-Nam where he was DPSA in An Xuyen Province. We wish to employ him on the VTC staff, and note that the imminent departure of Gerald F. Winfield will provide us with a slot against which Mr. Bahl can be placed. The purpose of this memorandum is to give written notice of our desire to employ Mr. Bahl and to request that the necessary action be taken to accomplish this assignment.
