

UNITED STATES GOVERNMENT

Memorandum

TO : All VTC Students

DATE: November 6, 1969

FROM : *Therese*
The Coordinator

SUBJECT: Bull Session

I will be available for informal discussion in Room 1507 today from 4:30 p.m. on.

If you have any questions you would like to discuss, and hopefully clarify, on any subject related to Viet-Nam and your tour of duty there, or related to VTC, please drop by at any time after 4:30. I will be glad to stay on after 5:30 for as long as you like.

I hope to have a discussion hour regularly once a week, or more frequently as desired, because it is apparent that students do have many unanswered questions which can and should be clarified.
