

FOREIGN SERVICE INSTITUTE

September 9, 1969

Honorable William E. Colby
Deputy COMUSMACV for CORDS
c/o American Embassy
Saigon, Viet-Nam

Dear Bill:

Thanks for the time you spent with us at the VTC.

I am enclosing a brochure, the third page of which gives a very clear summary of what we offer at the VTC in terms of courses. There is much confusion in people's minds as to these courses and how they run and the chart on the third page, indicated by an asterisk, makes it fairly clear.

Looking forward to seeing you in a few days in Saigon, and thanks again for your visit to the Center.

With best wishes,

Sincerely,

15/

Ogden Williams
Coordinator
