Honorable Joseph A. Mendenhall
Acting Assistant Administrator
for Viet-Nam
Agency for International Development
Washington, D. C. 20523

Dear Joe:

The students and I were all very sincerely enthusiastic about the excellent briefing you gave us. I think it was the high point of their final week.

Your sincere interest in them and willingness to make the effort to see them and discuss the real world, with obvious command of the situation, were most impressive. Thank you very much.

With best regards,

Sincerely,
