Dear Dave,

Yesterday an individual whose opinion I respect informed me that your performance was outstanding during the Cacapon exercise. As VC Propaganda Officer, you devised some very successful schemes and successfully executed them. I was very impressed, and I, for my part, was delighted to get this good report.

I send you this brief note to assure you that City Hall is very pleased with your contribution and anticipates a very effective performance by you in Viet-Nam.

Good luck.

Sincerely,

Ogden Williams
