

Steve is a great guy
with talent, personality
& dedication. He is also a
~~he~~ ^{my} bachelor. I recommend him
to you and my old colleagues
at VTC without reservation.

Dear Oggie —

The bearer of this note, Steve
Wallace is a very able AID
Program Officer who has just
left us here. It appears he will
be an Asst. Program Officer in Saigon
in a few weeks — with AID rather
than CORDS. Nevertheless, I have
urged him to get in touch with you
& with VTC during his brief visit
to Washington in order to benefit
from selected offerings at VTC and to
discover what a key operation CORDS
is — in terms of ensuring that AID's
programs are realistic and get
implemented.
