

I hope you will feel it appropriate to include a strong recommendation for promotion in your report. If so, you might allude to (1) how I stack up in your mind compared to FSO-FSR-2s generally whom you have known, (2) how I stack up, compared with administrative officers of O-2 rank whom you have known, (3) how would you feel about having me on your staff at some future date as administrative officer or other.

*You may also wish to say something about  
Jackie.*
