

FOREIGN SERVICE INSTITUTE

May 27, 1970

Mr. Warren E. Lane  
Assistant Director  
Foreign Service Personnel Division  
Office of Personnel and Manpower  
Agency for International Development  
Washington, D.C. 20523

Dear Mr. Lane

I attach a letter which is largely self-explanatory. The other day Mr. Robertson called on me to express his concern that an AID employee of whom he thought very highly might be getting a raw deal. Robertson's sincerity was impressive, and I told him that I did not know the employee personally but that I would pass on Robertson's comments to AID for such action as it might wish to take.

On a new subject, perhaps we could invite you to visit us sometime at your convenience to brief you on the Viet-Nam Training Center and what goes on here. It would certainly be a very great pleasure for us to do so.

Sincerely,

Ogden Williams  
Coordinator  
Viet-Nam Training Center
