Professor P. J. Honey  
43 Royston Park Road  
Hatch End  
Middlesex, England

Dear Professor Honey:

Thank you for your letter of January 10. We will be functioning all during the Easter period, and I would suggest a two-day visit here during the period March 30 through April 3. If you came during the early part of the week, you would be able to stay over a day or two longer, in case you wish to meet with other members of the community here who will undoubtedly be interested in meeting with you once they know that you will be in this area.

Could you let me know whether the foregoing is suitable?

Yours sincerely,

Ogden Williams  
Coordinator
