Bailey Lumber Company
Moorefield, West Virginia 26836

Dear Sirs:

I enclose a letter to Mr. Kenneth Miller asking him to pick up panels which you have ordered for me. I have given him a check made out to you and have asked him to fill in the proper amount. Please include nails for putting up the panels.

If Mr. Miller cannot take delivery of the panels, I will attempt to do so myself on Saturday morning, December 19.

Yours sincerely,

Ogden Williams

Enclosure
