

October 29, 1970

Mr. Christian A. Herter, Jr.  
Office of Environmental Affairs  
Bureau of International Scientific  
and Technological Affairs  
Department of State

Dear Chris:

I hope you had a good time in Paris. I called you the other day but imagine your schedule is a bit busy at the moment.

In your absence, someone told me that the man in the White House who is putting together the Environmental Protection Agency is John Whitaker. At some point I should probably get together with somebody. Do you have any suggestions? Many thanks.

Sincerely,

Ogden Williams
