Miss Mary Buller  
American Embassy  
Kabul, Afghanistan

Dear Mary:

It is now many months since you left VTC for Afghanistan. You formerly promised you would write us and give us your impression, but you have failed to do so as far as I can determine. Please seize a spare moment and tell us all about it. I will pass the word along to your friends here. Did you see my British friends in London?

Around here things are going along OK. Jim May has left for Mogadiscio where he is Administrative Officer. Our students are now more military, and the whole Viet-Nam issue seems to have subsided so that our student bulletin board is less exciting than it used to be. The last of the really long-haired civilians are dribbling out towards Viet-Nam, and the ones who are already there seem to be doing all right.

In short, all is well except that no one knows what has happened to you. Please correct this!

Best wishes.

Sincerely,

Ogden Williams
