MEMORANDUM

September 15, 1970

TO: Basic Course Chairman
Extended Course Chairman
District Course Chairman
PSA Course Chairman
Shilling

FROM: O/FSI/VTC - Coordinator

SUBJECT: Visit of Dennis J. Duncanson

Subject to any last minute emergency on his side, Mr. Dennis J. Duncanson will visit VTC from December 9 through 11. He would presumably address the entire student body and staff in a special event on December 9, but would be available for seminars in each of the courses during the next two days. His visit should be particularly timely since he will have just completed a visit to Viet-Nam and Thailand.

Course Chairmen should take note of Mr. Duncanson's availability in their course scheduling.
