

MEMORANDUM

July 1, 1970

TO: O/FSI - Mr. Howard E. Sollenberger

FROM: O/FSI/VTC - Ogden Williams

SUBJECT: VTC--Advanced Advisorial and Developmental Studies
(Extended Course)

This course is now conducted by Mr. Charouhas (FSIO-3), Messrs. Lijewski and Bahl (FSR-6). There are some 45 students now in session. Enclosure #1 is the present course schedule. Enclosure #2 is the proposed revised curriculum. The latter is so extensive that we must anticipate several months of course preparation before a switch-over can take place. This is particularly true since Mr. Charouhas will be in Viet-Nam from July 17 to August 17.

I have attended numerous sessions of the present Extended Course and found them stimulating. The new program will be even better. We have checked the proposed new schedule out with the students themselves and have received a uniformly favorable reaction.
