

FOREIGN SERVICE INSTITUTE

May 25, 1971

Mr. Donald C. Brewster  
Staff Member  
National Security Council  
Room 373, Executive Office Building  
17th and Pennsylvania Avenue  
Washington, D.C. 20516

Dear Don:

I put together a few fairly elemental observations recently which you or other members of the staff might find interesting. It obviously only scratches the surface but does attempt to bring out some of the main themes of our involvement in Viet-Nam and how we handled it.

Best regards.

Sincerely,

Ogden Williams  
Coordinator  
Viet-Nam Training Center
