Colonel Harry Jackson  
Director of Instruction  
Institute for Military Assistance  
Fort Bragg, North Carolina 28307

Dear Harry:

I enclose a brief paper I wrote recently which you might find interesting. Of course, it only scratches the surface but does attempt to lay out a few basic thoughts about our involvement in Viet-Nam and how we handled it.

I hope Bob Zimmerman and Lorne Black were of help in their recent visit to Fort Bragg.

With best regards.

Sincerely,

Ogden Williams  
Coordinator  
Viet-Nam Training Center
