

MEMORANDUM

March 12, 1971

TO: O/FSI/VTC - Colonel Lorne S. Black

FROM: O/FSI/VTC - Ogden Williams, Coordinator

SUBJECT: Your Instructors Guidance Note dated January 28, 1971

Subject document has been brought to my attention, and I am writing to congratulate you on the great initiative which you and your staff have shown in implementing the District Course, only one example of which is your Instructors Guidance Note. It seems to me that the District Course staff, under your leadership, is as competent and professional a team as one could hope to find, and that the Viet-Nam Training Center and the students themselves are much in your debt.
