Dear Dave:

I have been most remiss in thanking you for your very pleasant hospitality in Gia Dinh in January. It was a great pleasure to talk with you and members of your team. I enclose a snapshot of you, Bill Missildine and Ed Navarro which you will remember and which may be a pleasant souvenir one day.

Please make sure to drop in and see us at VTC when you return to the States. I am sure that our students as well as staff would be most anxious to talk to you.

Many thanks again.

With best regards.

Sincerely,

Ogden Williams
