Honorable Robert C. Byrd (D-W.Va.)  
United States Senate  
Washington, D.C. 20510

Dear Senator Byrd:

I am taking this occasion to enclose a copy of a statement I have asked to be made part of the record in the present hearings with respect to the proposed Alaskan oil pipeline. My statement is largely self-explanatory. I do hope that our national government can approach this problem with the sense of perspective and judgment which I believe the issue demands.

As a resident and voter in West Virginia, I did want to let you know my thinking, particularly since you are such a key member of the United States Senate.

Respectfully,

Ogden Williams
