SUBJECT: Vacation Plans

Gary Mansavage informs me that you are the control point on vacations. I plan, subject to your concurrence, to be away between August 19 and September 13.

By August 19 we will have a very clear picture of AID's role in narcotics control in East Asia. The above will be my first vacation in a year. Could I get your response by phone as soon as convenient, as I must make plane reservations for August 19?
