West Virginia

Dear Sirs:\*

Last Sunday, August 23, about 7:30 p.m., I was driving between Wardensville and the Virginia line on Route 55. I observed the driver of the car in front of me throw a large paper cup and other unidentified litter on the highway. I am reporting this because I do not care for highway litterers.

You may wish to warn the individual concerned or take other action as you deem fit. The car in front of me was a Coral Red Mustang with West Virginia License No. IE-3975. The driver was a young man, darkish hair, who appeared to be wearing a blue shirt. A passenger in my car observed the same incident.

Sincerely yours,

Ogden Williams
