

19 April 2001

Dear Rufus,

I have to go to Massachusetts for one week. In the interim I thought you might see some photos of possible interest:

Liberate Picar

Forgotten Filipinos you probably know

ghastly picture of me at some party in Saigon in 1956

Bill Nelson, CIA

Pretty girl in 65 Dong Tan

Bob Bodrugly

Photo of some of the ~~young~~ ~~young~~ gang

Picture of Ed & me shortly before his death. (You can tear out my picture & just leave Ed!)

Japanese 50 contacts till

John Kirby

New picture of Ed & Lucien ^{Father} Conner

You will recognize "De Jaeger and Chuay Kai" shot last - when Ngo Dinh Diem fled the

small palace and I was abandoned, Bui Diem and I followed the soldiers etc. The place was abandoned. On Ngo Dinh Diem's

desk was this little trifle in Diem's handwriting. Bui Diem later translated it - all very sad.

I also have a photo of Rudy Kaiser (4 Corps) and Jess Grefalda after a mortar attack

Jess, on Chuay Hoi Program, recovered completely. ~~Rudy~~ Rudy Kaiser was killed by

VC in 4 Corps soon thereafter.

(my photo) Finally someone you will quickly recognize. in his office, shortly ~~before~~ ^{this helicopter death} before - John Vann

(OVER) 2

Finally - a very beautiful exercise by Mrs. Thien
~~and~~ in an after work class in English I used to
direct in 65 Dwyer, I think, after hours
The lady was an escapee from North Vietnam

Some or many of these you might to
keep

All best

John
