

Table of Contents

IN accordance with the provisions of AAF Regulation 62-15, dated February 28, 1944, all AAF navigators in the United States will certify that they have read and understand all instructions and information contained in Navigators' Information File. They will do so by signing in the space provided at the end of the Table of Contents.

Check with operations offices regularly to be sure you have all current amendments to NIF and Table of Contents. The Table will be revised quarterly and distributed on the same basis as the Navigators' Information File.
