

New Hebrides.

Port Vila

Port Vila,

Sept. 24th, 1979

Dear Ogden —

— Good to hear from you.

I'm rushing this package off to you today as the latest Nabanga has just come out this morning and it's got the new Constitution in it. There was no issue of Nabanga last week, & there have been no issues of Vanuaaku Viewpoints nor Tu Tok Tok since you left (or at least I haven't seen any). Will send them on to you as soon as they come out.

I may pop in to see you in Washington sometime around January or February if you're there. Will be doing a tour of the U.S., & maybe giving slide lectures on traditional life in

the New Hebrides, + possibly trying to
raise money for us to try + build a
new modern and expanded Museum/
Library complex.

Elections due here on Nov. 14th.
December 1st - 8th is the first
New Hebrides National Arts Festival
here in Vila : we'll be bringing down
over 2000 people from almost all
the islands of the Group. Original
date for this was Nov. 10 - 17, but
new election date has forced
postponement.

Enough for the moment!

All the best,

Kirk
