Dec. 19[#] 1979

Dear Ogden -

— Just got your letter of
Dec. 8[#] saying you're off to Alaska
— so I sent you a telegram — hope
you got it in time. Looks as if
I'll be through Washington sometime

in February - my wife may come, or she
may be visiting her family in Bogotá.
Main thing I want to do is to check
on some early films (1917 + 1919) made
in the New Hebrides by Martin Johnson:
stocks held in the Motion Picture, Broadcasting
+ Recorded Sound Division, Library of Congress
(Paul C. Spehr, Acting Chief).

Pity you missed the elections:
Vannakakw Party won $\frac{2}{3}$ majority.
More news when I see you. Walter Lini is
Chief Minister.

Cheers, KIRK.
