Authority is granted to make such changes in this itinerary and to proceed to such additional places as may be necessary for the completion of this mission.

T by military or commercial aircraft is authorized in accordance with Sec IV, WD Cir 12, dated Jan 17, 1942.

In lieu of subsistence a flat per diem of \$6.00 is authorized for travel by rail, military or commercial aircraft, and for the period of duty outside the continental limits of the United States in accordance with existing laws and regulations.

Since the duties in connection with this mission are exceptional and will require more than seventy-two (72) hours for their performance, a delay of not to exceed thirty (30) days at any one place inside the continental limits of the United States and outside the continental limits of the United States is authorized when necessary.
