

*A Special
Prayer
at
Christmas*

Dec 25/72

Dear Agie,

Am still looking
forward to joining up on
in any kind of mission.

Hope you are in
the best of health and
please receive our
affectionate regards
for being a Santa Claus
in our moments of crisis Mer

As Christmas candles
softly shine,
May all the peace
of Love Divine
Abide with you
and truly bless
The coming days
with happiness.
