Mr. Ogden Williams

Dear Ogden:

Your final report and its attachments are, I believe, essential reading for all of us at IHAP. I plan to circulate a copy of your report to the Executive Committee of our Board of Directors.

The precise guidance, comprehensive coverage, insightful commentary, and light touch are all deeply appreciated.

All of the team members will have the opportunity to read your interim and final reports prior to their departure and will thereby be able to be productive much sooner than otherwise.

I hope we will have the opportunity to work with you on future undertakings in Chad or elsewhere and look forward to it.

Cy and his department are processing your expenses and will be in touch with you directly if there are questions.

Ogden, again my sincere thanks and admiration. I will be in D.C. interviewing candidates for the directorship in the near future. Let's get together for lunch. I will be in touch with you.

Sincerely,

MKR/acg
