

LOVE DECEMBER 2

Dear Carol

What a fantastic Vietnamese
evening you had. We loved it
all and were so impressed with
all you have done for "your family"
They are charming and I have
never heard of such a home

working family - They seem to have
adjusted so quickly and so well.

What fun to find a truly fine
restaurant which is quiet and
small and best of all out of
Washington.

It was wonderful of you to invite
us - we loved it all -

We will see you soon - perhaps
before George leaves in January

Have a marvelous Xmas -
Love Lila
