IMPORTANT INFORMATION

EXPIRATION. This passport is valid for five years unless expressly limited to a shorter period. The expiration date is given on page two.

TRAVEL IN DISTURBED AREAS. If you travel in disturbed areas, you should keep in touch with the nearest American consular office.

ALTERATION OR MUTILATION OF PASSPORT. This passport must not be altered or mutilated in any way. You must not alter any dates or make any changes in your description, on the photograph, or on any other page of this passport. Alteration may make it INVALID and, if willful, may subject you to prosecution (Title 18, U.S. Code, Section 1543). Only authorized officials of the United States or of foreign countries, in connection with official matters, may place stamps or make statements, notations or additions in this passport. However, you may amend or update information supplied by you on the inside of the front cover of this passport, if necessary.

SURRENDER OF THIS PASSPORT. This passport must be returned to the Passport Office, Department of State, for retention or cancellation immediately upon the termination of the official status for which the passport was issued or endorsed.

If this passport is surrendered to the employing agency for transmission to the Passport Office, a signed receipt should be obtained.

This passport shall not be used for any purpose other than that for which it is issued.

GENERAL INFORMATION

IMMUNIZATIONS. Most countries require entering travelers to possess valid International Certificates of Vaccination against Smallpox. Depending upon your itinerary, some countries may require Cholera and/or Yellow Fever Certificates. Since health conditions in a country can change, detailed and current information may be obtained from your local and State health department when your itinerary is complete. The publication "Health Information for International Travel", available from health departments and most Passport Offices, contains an abbreviated summary of requirements and recommendations.

HEALTH INSURANCE. Persons contemplating travel abroad should contact their medical insurance company to determine what coverage, if any, they have while outside the U.S. Generally Social Security Medicare does not cover health care expenses outside the U.S.

CUSTOMS SERVICE. Know before you go. The pamphlet "Customs Hints" gives you current pertinent information about Customs requirements, and how they apply to articles acquired abroad. Obtain a copy from your nearest customs office or from the Commissioner of Customs, Washington, D.C. 20226.

TREASURY. Treasury regulations prohibit the unlicensed purchase or importation of merchandise of Cuban, North Korean, North Vietnamese and Rhodesian origin. For information, write to the Office of Foreign Assets Control, Treasury Department, Washington, D.C. 20220.

AGRICULTURE. Do not bring foreign meats, other animal products, fruits, plants, soil, or other agricultural items when you return to the United States. To do so will delay you at the port of entry. It is unlawful to bring in foreign agricultural items without permission, because they may carry destructive plant or animal pests and diseases. Consult "Customs Hints" or write to "Quarantines", U.S. Department of Agriculture, Washington, D.C. 20250.
