PART II - SWORN STATEMENT

I, Kenneth Schiel WANT TO MAKE THE FOLLOWING STATEMENT UNDER
OATH: I was assigned to Co C, 20th Inf, 11th Inf Bde, Americal Div, on 20 Apr 67. I
was further assigned to the second platoon as a grenadier and worked my way up to squad
leader while in country. Sometime around the first part of Apr 68, my unit went on a
search and destroy mission to My Lai 4 in the Republic of Vietnam. I am not sure of
the date or month. The day prior to the operation I attended a briefing given by CPT
MEDINA, the company commander, who stated that we were going into "Pinkville"; that we
had been there before and had always suffered losses, but that this time we were going
to kill everything that breathed in the village. I can't remember if it was put out in
the operation order, but once we were in the village, we were also instructed to burn
the village. We were CA'd into the village by chopper and I was on the first lift. As
the first lift landed, we set up a perimeter around the L2 and awaited the arrival of the
other lifts. When the whole company was on the L2, we WERE went into the village on a
line. The L2 was on the left or west side of the village and we drove thru to the east
side of the village. I was in the second platoon on the left or north side of the line
and the 1st platoon had the right flank or south side of the village. The 3d platoon
w/hqs was to bring up the rear. At least that is how the operation order read. I am
not sure if that is how it was. We drove on through My Lai #4 and then swung north and
hit My Lai #5.
Q. Did you encounter any hostile fire when you landed?
A. I don't really know because guns were going off all over the place. The choppers
were firing from the air.

- A. No, I didn't. Not to the best of my knowledge.

Statement of CPL Kenneth SCHIEL, taken at Fort Bragg, NC, dated 3 Nov 69,
Cont'd:

- Q. Did you see any groups of Vietnamese bodies at any time after you got into the village?
- A. I saw an odd group of 2 or 3. No more than that in that village.
- Q. Did you see a temple on your way through the village?
- A. No, I don't recall seeing one.
- Q. Did you see any dead children on your way through My Lai #4?
- A. Yes, I saw some. I couldn't swear to the fact that they were dead, but they had been shot.
- Q. How many did you see?
- Q. I couldn't say off hand. I have no idea.
- Q. How many dead people did you see in all?
- A. I would say less than 40. I really don't know.
- Q. How long was Company C in the village?
- A. We were in first thing in the morning, but I can't recall what time we left as we moved on up to My Lai #5 after that.
- Q. Did you yourself shoot anyone you would consider to have been an unarmed civilian during My Lai #4?
- A. Not on the basis of what my orders were.
- Q. Was an investigation conducted by the unit or Division while you were in country?
- A. We were told by someone from the company, I think it was CPT MEDINA, that the unit had been under investigation for what had happened at My Lai #4, but that the investigation had been dropped.
- Q. Do you recall being told by MEDINA that there was going to be an investigation and that you were not to say anything?
- A. He might have had a meeting, but I don't recall.
- Q. What was the population of May Lai #4 prior to the operation?
- A. I don't know.
- Q. Do you have anything to add to this statement?
- A. Yes, I would like to add that we had been told prior to this operation that the village had been warned that a combat operation was to take place there and that all persons not VC were to move out of the village. We were then told that all that remained in the village would be VC's or VC sympathizers. I would also like to add that this operation was a mistake and I think the orders had to come from higher headquarters. Our orders were to kill every living thing in the village, human and animal.
