

4/7/71

I, James Lynn, want to clarify a statement about seeing an American officer cut a prisoner on the neck. I cannot honestly say that it was the same man or an American that did scratch a prisoner on the neck with a knife. I also want to clarify that it was not a cut but only a ~~ss~~ scratch.

James A. Lynn

Sworn to before me this 7<sup>th</sup> day of April 1971 at Rochester, Minn.
