Reply to Request for
Production of Formal
Investigating Report

Comes now the Government to reply to the Defense request
for Production of Formal Investigating Report Concluding
My Lai Charges Are Unfounded as follows:

Intensive investigation by the personnel of the US Army
Criminal Investigation Division and the Peers Investigation
Staff failed to discover any formal investigation report of
the alleged My Lai incident. Therefore, Government counsel
know of no copy of said report. Furthermore, the statement
of LTC Brannon attached to the Defense Request does not
indicate that any such document exists or has ever existed.

The Government requests that the Defense be instructed to
make its request more specific or that the request be
promptly denied.

Respectfully submitted this
2d day of June 1970
